

Dear UIL Area H Directors,

Wagner High School Band Boosters, Judson I.S.D. and our band are happy to welcome you to our facility for UIL Area H Marching Contest on Saturday, October 22 at D.W. Rutledge Stadium. **The bad weather makeup day** will be Monday, October 24th, 2022 at the same location. You will find that many things at contest are the same this year, but we have made some changes to a few things we've done in the past with how the contest is run.

First, please refer to your contest overview and maps for details regarding warm up areas and times. We have changed bus parking to the back-parking lot and all schools will be given an arrival time for their equipment trucks. **Equipment trucks cannot arrive earlier than an hour before the check-in time.** If you need to have your equipment trailer there before that time, they will need to park at Judson Middle School (9695 Schaefer Rd, Converse, TX 78109) until your designated truck time. Once the band performs you have an hour and fifteen minutes to move your truck to the Judson Middle School parking lot. If your band makes finals, your truck will be allowed back into the truck parking area.

Regarding the stadium, there is a **clear bag policy in place for spectators and parents.** The clear bag policy doesn't apply to directors entering through the field gate entrance. Band chaperones will need to follow the clear bag policy. Only directors, students, and chaperones wearing identifiable clothing (staff polo, t-shirt, badge, etc.) can enter through the visitor entrance. Everyone else must enter through the home entrance.

Concessions and souvenirs will be available under the stadium for spectators. Restrooms will be available for band members on the visitor side of the stadium.

You may contact me at jperez906@judsonisd.org or if you need to call, you may call my personal cell at (830) 968 3194. As your contest host, we will do everything possible to make this a musically rewarding and positive experience for you and your students. Thank you in advance for reading and adhering to the policies and procedures outlined in this guide. Best wishes on a successful performance!

 J. Raul Perez

Director of Bands
