

Dear UIL Area H Directors,

The Wagner Band Program and Judson ISD are happy to welcome you to our facilities for the UIL Area H Marching Contest on Saturday, December 5th, 2020 at D.W. Rutledge Stadium. **The bad weather makeup day** will be Monday, December 7th, 2020 at the same location. You will find that Area H Marching Contest will be run similar to your Region Marching Band Contest.

Please refer to your contest overview for details about the contest. This year will not have monitors guiding your groups to and from locations. There will be a timekeeper at each warm-up location. Please refer to the colored and labeled maps on your email to help you find your correct warm up location. Also, there will be no water stations available throughout our facilities. Each band director must ensure their students have their own water.

D.W. Rutledge Stadium has a clear bag policy in place for spectators and parents. The clear bag policy does not apply to directors entering through the field gate entrance. Concessions and souvenirs will be available under the stadium bleachers for spectators. Restrooms will be available for band members on the visitor side of the stadium.

You can find my contact information below, feel free to send me an email or call me if you have any questions regarding the Area H contest site. As your contest host, we will do everything possible to make this a rewarding and positive experience for you and your program. Thank you for adhering to the policies and procedures outlined in this guide. Best of luck this season!

Sincerely,

Jose Raul Perez

Director of Bands

Wagner High School
